The repeater chairman, Garvin ACOAU was not present, but several comments from members present indicate that the repeater is working optimally, and the morse code call sign ID is plenty fast.

Members present voted to pay the \$66.20 bill from Valley Floral in La Junta, for the flower arrangement sent to the funeral of Rita Luehring KA0GFQ.

President Bob reported on a meeting he attended for emergency preparedness hosted by Rick Ritter, where the Otero County emergency plan was discussed. Bob reiterated our offer of emergency communication service if needed during any disaster or emergency in the local area when other means of communication are disrupted. Bob gave his name and contact information to Ritter for this purpose.

It was requested that Teresa print out her database of equipment and capabilities of members, to be discussed at a future meeting for updating and verification. This will give us a listing of the capabilities of members who may be called upon to supply emergency communications service.

The members present voted to pay \$22 to Teresa to cover the cost of our domain name for the club website. This will cover us to July of 2013.

**ELECTION OF OFFICERS FOR 2012:** Members present voted to retain the current (2011) officers for the 2012 year: President Bob KOURU, Vice president Mike KCOVGS, Secretary/treasurer Charles KCONOR, Webmaster Teresa KCOVGS/XYL, Repeater Chairman Garvin ACOAU.
